INFORMATION

on submitting electronic requests (academic year 2022/23, spring semester)

Dear Students,

The most important information on submitting requests for academic year 2022/23 in NEPTUN can be found in the tables below. The requests are separated based on their availability in NEPTUN.

If a request was charged by a fee, it is automatically transcribed, and you can see it in Finance/Payment menu. The evaluation procedure of the request starts after the transcribed item was paid in and got fulfilled status. The requests that are not paid by the submission deadline will be invalidated.

In case of some requests the fee is transcribed during the evaluation procedure.

More information on the process of payment can be found on the link below: <https://ed.uni-mate.hu> in menu Finance.
