# Help from Embassies/Consulates

- MATE informed embassies and consulates about our scholarship options (DAFM, MISP) and sent self-financing students' name list to ease visa procedures.
  - MATE, however, has NO INFLUENCE on their procedures. **Information can only be asked if possessing an authorization authenticated by the consulate/embassy.**
  - Ministry scholarships managed by Tempus (SH, SCYP, DFP): Tempus informed embassies and consulates > [stipendiumhungaricum@tpf.hu](mailto:stipendiumhungaricum@tpf.hu)
  - FAO: Ministry of Agriculture informed embassies and consulates
  - Budapest Immigration Office has been informed about the problems in Pakistan, Nigeria and Ghana. >> waiting for an answer
- ☐ Most embassies and consulates reply positively. Please, note that there are over 8000 ongoing student visa cases in this period of the year.

# Mentor program

- SH and ESN mentor program; MATE Mentorprogram is being set up.
- Until MMP is created: inclusion of other program participants and self-financing students

  - Unreliable source of financial background, lack of appropriate language skills, fake documents, missing documents

# Q&A – PLoA, LoA, Neptun

- How much time does it usually take to issue the preliminary and the final acceptance letter after paying the fees? Lack of capacity, 1-2 weeks after payment of the tuition fee, responsible colleagues are constantly working on issuing these documents
- Where to get Neptun account information?
  - ☐ Self-financed/MISP: PLoA contains basic data, educational coordinator receives the email, too and replies by sending payment and Neptun info (Important: PAY VIA NEPTUN!!!)
  - ☐ SH/Diaspora/SCYP: After Aug. 8, after the missing doc. deadline + institutional check
  - ☐ FAO: mid-July, will be confirmed.
- Spelling mistakes on official documents: Contact the issuer of the document asap. (Tempus – [stipendiumhungaricum@tpf.hu](mailto:stipendiumhungaricum@tpf.hu) / Uni!)(Data is from DA/your application!)
- Academic year starts on 8th Sept with the orientation for first year students, on 15th Sept – classes. Some programmes start earlier but students involved get information about it privately.
