Help from Embassies/Consulates

- MATE informs embassies and consulates about our scholarship options (DAFM, MISP) and sent self-financing students' name list to ease visa procedures.
- MATE, however, has NO INFLUENCE on their procedures. **Information can only be asked if possessing an authorization authenticated by the consulate/embassy.**
- Ministry scholarships managed by Tempus (SH, SCYP, DFP): Tempus informs embassies and consulates > stipendiumhungaricum@tpf.hu
- FAO: Ministry of Agriculture informs embassies and consulates
- Most embassies and consulates reply positively. Please, note that there are over 8000 ongoing student visa cases in this period of the year.

 - When is the earliest time I can arrive in Hungary?
 - Causes of visa rejection?
- 1-2 months
 - permit > 2-3 weeks, max. 1 month

- 4 basic topics: purpose of stay (basic facts about your studies - motivation, language skills) insurance, financial background, accommodation
- 30 Sept – 10th-30th Sept only with a request that has some procedural fee + support documents; **Enrolment is obligatory online during the enrolment week and contact your edu. coord and professors to ask for permission. Subject registration from home!**
- **Yes, for self-financing applicants!**
