INFORMATION

f for all students at the Hungarian University of Agriculture and Life Sciences in connection with the payment of tuition fees, the fees of requests and services and other fees

From 2022/23 academic year, you may pay with bank transfer to collective account or even with bank card. Bank card payment turns "fulfilled" almost immediately; collective account payment might take days.

We would like to inform you that the deadline for the payment of tuition fees for seniors, for the spring semester of the academic year 2024/2025, is **midnight on 17th February 2025**.

1. Steps of payment with bank card

For paying with bank card, first you need to enter: Neptun Student profile, [Finance](#), [Pay in menu](#). [Put checkmark in the space at the end of the selected item's line, then press Pay in button](#) (at the bottom of the page). The System asks: **Are you sure to pay the selected amount?** Please, select option, YES. In the next step you can choose the payment method: Collective account or Bank card.

If you choose the Bank card option, then press *Pay in* button, The Neptun System will automatically direct you to OTP Simple Pay surface. Here you can add your bank card data or use OTP Simple Pay account or app.

The fulfilment of active item is almost immediate (3-5 seconds). Neptun system sends a note of fulfilment to your inbox. It is a fast and convenient way of payment

If due to technical problems, you were not able to pay by Simple Pay surface; please wait about 10 minutes and try to repeat your payment. (Most common mistake: your account has a limit when paying online. See your net banking settings.)

In order to speed up the process, we definitely recommend using a bank card payment! The University assumes no responsibility for possible disadvantages arising from late transfers via the collective account!

2. Steps of tuition fee payment via bank transfer to collective account:

1. Bank transfers can be made in person at the bank or via the bank's online interface. The amount paid will be transferred to your virtual personal joint account within approx. 3-5 business days.
2. After the amount arrived to your Neptun joint account, you can make a payment from your virtual joint account via Neptun System as follows: *Finances – Payment – Filter terms – List items – Tick the Pay in box in Transcribed items – Select Pay in – Read pop-up window and select Yes – Select Pay from joint account (it is automatically selected) – Select Pay in*

Tuition fee payment in EURO is only possible if it is transcribed in EURO on your Neptun. All other fees can be paid in HUF only. **Please transfer all fees in the currency given on the transcribed item list. (HUF items in HUF, EUR items in EUR)**

Please note: You can launch the transfer, however, due to technical issues, the money will appear on the Neptun joint account with delay. Also the transferred amount may differ from the sent amount due

to different exchange rates and system charges between countries and banks for what MATE shall not take the responsibility.

Before transferring money, please check and select the correct bank account number related to the right currency of the payable item.

The electronic invoice generated on the interface can only be modified by requesting it from the Central Neptun and Educational Organization Department by email neptunpenzugy@uni-mate.hu

If a company pays a part of your tuition fee, it is possible to divide the transcribed item as follows:

Finances - Payment

- Click on the + *sign* at the end of the line, then select *Share* from the pop-up window.
- Enter the first and second subtotals for which the system will break down the originally transcribed amount.
- After sharing, the payer for each sub-total must be given separately.

Please note **that sharing a transcribed item IS NOT a payment in instalments. Deadline for payment remains 17th February 2025.**

IMPORTANT! If the tuition fee is not paid by the specified payment deadline (17th February 2025), a late fee (HUF 5,000) will be charged after the deadline.
